

Hannah Bacol Busch Owner and Founder

Hannah Bacol Busch's Fine Art Collection

presents quality artistic paintings, drawings, prints, photography, sculptures, and mixed medium creations from many parts of the world, including Europe, Asia, Central & South America, and

Africa.

The Collection is influenced by the owners desire to discover exquisitely cultural, yet professional artworks. The Gallery is also dedicated to offering European Masterpieces from the 19th & 20th Century.

Hannah Bacol Busch Fine Art

Collection prides itself in organizing "meaningful, exciting, and classy" exhibitions to showcase a wide array of very talented upcoming artists in addition to outstanding master level artistic workmanship. Lectures, Talks, and Private Functions are also offered by the Gallery. Please visit the website to view dates & times of these shows and events.

The staff is ready to assist any individual or company interested in beginning a quality art acquisition or enhancing an existing collection.
